Welcome to the 2nd Jackson's Easter Spring EGGstravaganza. This brochure is your guide identifying the participating properties who have hidden EGGs and or Treasures for you children to find.

We suggest that you start your EGGstravaganza at 15 Main Street, Jackson Village, Jackson, NH at the BobKat Residence. The Jackson Area Chamber table has been set up there and someone will be there to get you started with an EGGstravaganza Easter Spring Bag to hold the EGGs and or Treasures your children find, a printed copy of this brochure, and the kids can begin the hunt right there. The Jackson Area Chamber of Commerce has set their EGGs/Treasures for children to find on the walking path right on the Jackson Covered Bridge. There will be a bag of special chocolates for mom and dad there as well. We ask that only one mom and dad bag be taken so we may delight as many families as possible.

Mom and Dad you can purchase your last minute Jackson's EGGstravagant Jackpot Eggs at the Chamber's table. Any Jackpot Eggs purchased on Sunday April 17th will automatically be registered into the drawing that is taking place at 2 PM on that day.

In order for us to accommodate as many children as possible we ask that you only take four items for each child at each participating property. Thank you.
