Welcome to the 4th Jackson's Easter Spring EGGstravaganza. This brochure is your map & guide identifying the participating properties who have hidden EGGS and or Treasures for your children to find.

We suggest that you start the EGGstravaganza at 15 Main Street, Jackson Village, Jackson, NH at the BobKat Residence. The Jackson Area Chamber table has been set up there and someone will be there to help get you started. Your children can choose a festive bag to hold the eggs and or treasures they find as well as begin the hunt right there. The Jackson Area Chamber of Commerce has set their EGGs/Treasures for children to find on the walking path right on the Jackson Covered Bridge. There will be bags of special chocolates for mom and dad hung just inside the Jackson Covered Bridge. So that we may accommodate as many visitors as possible we ask that mom and dad take one Bag to share.

Due to the amount of Children expected at this year's event we ask that there be a maximum of 2 items per child at each property. At the BobKat Property and the Covered Bridge each child may select 2 plastic regular eggs and 1 treasure which are more elaborate than the plastic eggs.

Mom and Dad you can purchase Jackson's EGGstravagant Jackpot Eggs at the Chamber's table. Eggs are \$5 each and the lucky winner will take home 50 % of funds raised up to \$1,000. The drawing is held on Sunday Mother's Day May 12th. Each EGG has a secret number located inside and you are responsible to enter that secret number on line at JacksonNH.com.
